PERFORMANCE HORSE SALE

Preview: 9:00 am • Sale: 2:00 pm CT

Prayer of the Horsewoman

FEED ME, CARE FOR ME, AND WHEN THE DAY'S WORK IS DONE, PROVIDE ME WITH SHELTER, A CLEAN DRY BED AND A STALL WIDE ENOUGH FOR ME TO LIE DOWN IN COMFORT. TALK TO ME. YOUR VOICE OFTEN MEANS AS MUCH AS THE REINS. SEE THAT I HAVE PLENTY OF WATER; I NEED LOTS OF IT, ESPECIALLY DURING THE HOT SUMMER DAYS AND, IN THE WINTER, SEE THAT I HAVE A WARM BLANKET.

PET ME SOMETIMES, THAT I MAY LEARN TO LOVE YOU AND THAT I MAY SERVE YOU MORE GLADLY. DO NOT JERK THE REINS AND DO NOT WHIP ME.

NEVER STRIKE, BEAT OR KICK ME WHEN I DO NOT KNOW WHAT YOU WANT, BUT GIVE ME A CHANCE TO UNDERSTAND YOU. WATCH ME AND IF I FAIL TO DO YOUR BIDDING, OR AM UNEASY, NERVOUS, OR IRRITABLE, SEE IF SOMETHING IS WRONG WITH MY BRIDLE OR SADDLE OR MY FEET, ETC.

WHEN I GO LAME, I MAY HAVE CORNS, A STONE OR A NAIL IN MY FOOT. IF NECESSARY, TAKE ME TO A GOOD BLACKSMITH.

EXAMINE MY TEETH WHEN I DO NOT EAT. I MAY HAVE AN ULCERATED TOOTH AND THAT, YOU KNOW, IS VERY PAINFUL. IF I AM NOT DOING WELL, GIVE ME SOMETHING FOR WORMS, FOR THEY MAY BE TAKING MY STRENGTH.

DO NOT TIE MY HEAD IN AN UNCOMFORTABLE POSITION OR TAKE AWAY MY BEST DEFENSE AGAINST FLIES AND MOSQUITOES BY CUTTING OFF MY TAIL.

BRUSH AND CURRY ME AT LEAST ONCE A DAY, SO MY HAIR WILL SHINE AND BE NICE AND GLOSSY. I WANT YOU TO BE PROUD OF ME WHEN YOU SHOW ME TO YOUR FRIENDS.

AND FINALLY, O MY MASTER, WHEN MY YOUTHFUL STRENGTH IS GONE, DO NOT TURN ME OUT TO STARVE OR FREEZE. KEEP ME NOT OUT IN THE RAIN ALL NIGHT OR SELL ME TO SOME CRUEL OWNER TO BE SLOWLY TORTURED AND STARVED TO DEATH, BUT DO THOU, O MY MASTER, TAKE MY LIFE IN THE kindest way AND YOUR GOD WILL REWARD YOU HERE AND HEREAFTER.

YOU WILL NOT CONSIDER ME IRREVERENT, IF I ASK THIS IN THE NAME OF HIM, WHO WAS BORN IN A STABLE.

AMEN

Terms & Conditions

Notice: Buyers claiming to be tax exempt will be required to fill out and sign a Form 13. All others will be charged 5 1/2% sales tax.

We urge buyers to examine the horses that interest them prior to the sale. All horses are required to be on the premises the night before the sale. To the best of our knowledge, horses are free of disease or defect, unless called at sale time. Terms of the sale are cash; NO EXCEPTIONS. Drivers license is required for checks. Letter of credit may be requested. The sale personnel may withhold registration papers until the check clears the bank. If any buyer wishes to obtain the registration papers immediately, the horse must be paid for in the currency or certified check.

Any buyer who stops payment on a check will be prosecuted to the full extent of the law. Except as set forth in the last paragraph to soundness, any dispute which arises between buyer and owner on the matter of soundness, condition, printed information, or statements made from the auction block shall be restricted between the buyer and owner. The highest bidder is to be the buyer. If any dispute arises between two or more bidders, sole authority to settle the dispute as he deems fit is reserved by the auctioneer. His decision is final. The auctioneer reserves the right to reject any or all bids.

The auctioneer, announcer, and employees act as agents only for the sellers, but assume no liability for either the buyer or the seller. Every effort has been made to insure correctness in the catalog, and in most cases, information quoted concerning the horses is taken from official records. However, the auctioneer, announcer, and employees act as agents only for the sellers, but will not assume personal responsibility for errors or omissions. Be certain to inspect any horse of interest to your satisfaction before you buy. Announced changes in catalog information take precedence over printed material in catalog.

There is no warranty, expressed or implied, as to the performance soundness, merchantability, and fitness for any purpose or breeding soundness of any horse offered in the sale. The catalog and information in this auction process is provided by, and is the sole responsibility of the owner. It is also the owner's responsibility to make certain that only correct statements are made public before or while the horse is in the auction arena. Any catalog information that was procured by the auctioneer does not create, nor does he assume any responsibility for errors or omissions in information in the sale catalog, or for any verbal statements regarding the horse while in the auction arena or at any other time during the auction process. Pregnancy status of mares will be announced on sale day. From this point on, buyer assumes all risks. Return privileges are not guaranteed, unless settled between buyer and seller. The right to No Sale all animals is reserved for all sellers.

Buyers attend the sale at their own risks. Weber & Company Performance Horse Sale employees and the consignors will not be held responsible for accidents to horses and people. All owners and buyers agree to hold harmless and indemnify Weber & Company Performance Horse Sale, Rick and Missy Weber, and all other employees, agents and persons involved on behalf of Weber & Company Performance Horse Sale in producing the sale, from and against any and all liability, debts, claims, suits, losses, causes of action, costs and expenses, including lawyer fees arising from breach of contract, misrepresentation, fraud or any other claim including personal injury, death, or property damage arising from any act, error, or omission, or negligence of owner or buyer or any of their employees, agents, or servants. It is further understood that Weber & Company Performance Horse Sale, Rick and Missy Weber, and all other employees, agents, and persons involved on behalf of Weber & Company Performance Horse Sale in producing the sale, shall not be responsible for any loss, damage, or injury to any person, animal or property arising from or occurring during or in connection with the sale.

All horses sell sound unless otherwise stated in the auction ring. Owners will guarantee horses for soundness until 5:00 pm CT on Monday, August 26, 2024. Weber & Company Performance Horse Sale will have a vet on the premises and this vet will be the ONLY vet that can make soundness decisions in order to obtain refunds. Soundness will be based solely on, sight out of both eyes, good air, hit the ground on all fours, and not to crib. Furthermore, this soundness guarantee will NOT apply to horses with problems arising after the sale by buyers hauling or use of the horse.

“I guess you could say horses have always been my passion...maybe weakness or disease is a better description. They have kept me sane for the most part, but that price does not come without some measure of heartache along the way. I know that I could not accomplish everything without the support of my family, who is by far my greatest achievement.”

Two cats is a special horse and definitely a *Sale Highlight!* A son of Catsanova Cowboy by the legendary High Brow Cat he was born to hunt a cow and be athletic but he's so much more than that.

His kindness and gentleness shine just as much as his talent and appearance. Anyone can ride him and feel safe while ranching or roping in the arena. He has been used extensively on the ranch for years doing everything from checking pastures and dragging calves to fire to roping big cattle outside. There is no task he can not do.

Over the past 6 months he has been in training in the heading, heeling and breakaway. He can do it all. In the heading he scores great, leaves flat and hard then rates before making a big move with control. As a heel horse he hunts the corner and gives you a perfect shot before sliding into a strong stop. Using that strong stop leads into the breakaway where he is really cool. Two Cats sits quiet in the corner then leaves using his speed to get into position and is easy to catch on before that big stop comes.

Two Cats will fit anyone from the Jr high level to the pros and will be lightly hauled by sale time.

An own granddaughter of Metallic Cat and Young Gun, this beautiful mare has so much talent. She's cowy, she's quick, can darned sure run, yet she's gentle around people. She's had 85 days riding, ranching, branding, and training. I bought her to be a broodmare, but she is too dominant around other horses, and that is a trait I do not allow in my broodmare band. I have no doubt she'd make an outstanding performance horse. And with the rabicano gene, she's definitely a standout.

LEROY

21-YEAR-OLD MINI MULE

Leroy is a mini mule that is broke to death and can spin a hole in the ground. He is not a bronc or pony acting, but has a very fast walk and is alert. He does not like to be in a branding pen, and he does not like ropes. I would say he would fit a small kid that is a confident rider and not beginners. I was told he is also broke to drive but we have not driven him. I have had him in parades and nativity settings and he is a true champ. Nothing bothers him. However, a couple years ago there were 3 freshly newborn foals he stole from some mares and they ended up dying. But regardless, I'm pretty attached to this little guy, so a good home is a must.

COOKIE

2017 MINI HINNY

Cookie is a real tiny mini hinny that Reece bought for me last Christmas. (That's another story :)...Ask him about it!) Anyway, she was broke to ride, and I understand to drive also, but we have not had anyone around here little enough to ride her. Hopefully we'll find someone by sale day!

"Cuchara Watcher (6 year old) is the first colt we raised out of Weber's Playgun Watcher. He has always been a very trainable, versatile horse, capable of fitting nearly any variation of the performance spectrum. He was shown in the High Stakes futurity as a 3 year old and has since been hauled to team rope both ends as well. He is a very quiet-minded willing horse."

Playguns Angel P18 is our top tie down calf horse that Rusty was runner up for the Mid-States year end when she was a 4 year old, and 3rd last year on her as a 5 year old. She has been to the loud bigger rodeos and the indoor barns. She can handle all situations. She has all the speed and the great mind to go along with it. She has size, stamina and is built like a tank to handle the big calves. She is the fastest, most agile horse that Rusty has ever competed on. Playgun would make an outstanding head horse and breakaway horse also.

This 4 yr old gelding has everything you want in a high caliber prospect. Just like his sire Playgun Watcher, this gelding is extremely versatile from the arena to the ranch and has a ton of ability. He has been ranched on extensively for the last year doing everything from trailing pairs and dragging calves to roping yearlings outside and sorting heavies. In the arena he is started in the breakaway and heeling and being hauled currently. He is super cowy and loves to run to cattle yet is very quiet in the corner and is always under control. Gentle to be around as well as to ride and is a prime young horse that will be a great addition to anyone's barn.

"Miss Kitty" was raised by Weber Quarter Horses and trained in the tie-down roping by Rusty Kluender. We purchased her from Kluenders in the summer of 2018. Miss Kitty has competed at every level, including an AQHA show. She helped our son make the Junior High Finals in the breakaway and ribbon roping. He learned to tie-down on her and competed on her in high school. Our daughter trained her in goat tying. She competed at the college level in goat tying and breakaway. We feel she could compete as a pro-caliber breakaway horse. This well cared for mare is powerful, confident, and seasoned. We have been blessed to have her. She is so solid. Spud is an attractive, prime age, buckskin gelding. Spud stands around 15.1 and has a nice powerful hip and hind leg. Spud is well started and has been exposed to a lot of different things. I have ridden Spud a lot of miles outside in very rough, rocky, Big Horn Mountain country. Spud is started roping the burro and logging in the arena. He works gates and tolerates slickers, sorting flags, plastic tarps, and crosses water. He neck reins and is very athletic, he has never offered to hump or buck with me. Spud is sound, shod, healthy, has no blemishes, and is ready to provide years of service. A you tube video will be available before the sale please contact me @ 307-680-5156.

Chillie is a big, stout all-round horse the whole family can enjoy. He stands 15 hands and weighs 1250. We purchased him a few years ago for me to learn to team rope on. He is solid in the heading, and has a little heeling and breakaway experience. I made the short-go on him at the very first WSTR I ever entered and have placed on him at the Senior Pro Rodeos in the heading. Chillie has been used for all aspects of ranch work. I trusted him to drag calves at our branding with my dad that hasn't been on a horse in over 15 years. I've placed on him at the county fair in the reining and pole bending, I even ran barrels on him at a PRCARodeo when the ground was bad. I've taught my barrel racing clinics off of him. Chillie is broke, gentle, easy to catch, stands for the farrier, and is UTD on his vaccinations. He has a wire cut on both front feet, but they are cosmetic. Chillie can be a little cinchy if you pull the cinches tight and ride off. Search ROANIES WIMPY DOC on YouTube for videos.

You can let your kids ride him around pretty much anywhere! It will be hard to let this horse go as he has many good years left in him. He's done 4H every year for the past 9 years, competing and winning in showmanship, halter, Western pleasure, trail, barrels, poles, horsemanship, and reining. He can be pulled out of the pasture after not being used for long periods of time and ride out without any problems.

HOT SHOT

§ Gelding § GRADE

“Hot Shot” is a big pony that anyone can ride. He is a little bit older but can still go all day. Our kids rode him when younger and now he is more of a yard ornament that needs some new kids to love on him.

“A breeding program second to none. My family has gotten along great with these horses. By the time the horses by the Weber studs turn three years old, my kids and my nephews, ages 5 to 15, are able to ride them. They are cow horses but most importantly to me they are family horses for all.”

~ Byron Burdick, Johnstown, NE

“When I first got broodmares I researched studs all over the country. I called Missy and was amazed of the generosity and “wow” some of the best breeding stallions in the world! After taking mares back to their ranch my conclusion was confirmed. Their horses are among the best in the world, hospitality is the best I’ve ever seen, and now as I’m riding colts out of their program, I am more than tickled with the results. Very pleased to have Rick and Missy as friends and their horses helping to better my horse goals.”

“Rick and Missy Weber are some of the greatest people we’ve ever met. They’ve been very helpful and generous over the years helping us breed our mares to their studs, and made the process very simple and easy. They produce top notch quality, cattle working horses and have some of the greatest stallions we could find. We always look forward to making the drive from Utah out to Nebraska to visit their ranch and drop off some horses. We are very grateful for them and you cannot go wrong by owning a Weber Ranch bred horse.” ~ Kacey Nielsen, Central Valley, UT

"Purveyor of all things cowboy"

When I Am An Old Horsewoman

I shall wear turquoise and diamonds
And a straw hat that doesn't suit me.
And I shall spend my social security on white wine and carrots,
And sit in the alleyway of my barn
And listen to my horses breathe.

I will sneak out in the middle of a summer night
And ride the old bay gelding
Across the moonstruck meadow
If my old bones will allow.

And when people come to call, I will smile and nod
As I walk past the gardens to the barn
And show instead the flowers growing
Inside stalls fresh-lined with straw.
I will shovel and sweat and wear hay in my hair
As if it were a jewel.

And I will be an embarrassment to all
Who will not yet have found the peace in being free,
To have a horse as a best friend,
A friend who waits at midnight hour
With a muzzle and nicker and patient eyes
For the kind of woman I will be
When I am old.
